You Can Be A Part Of The Freedom Fountain

Construction has started on the Freedom Fountain, but there is a limited time that you can still be a part of the project. Through March 16, 2012, orders are being accepted for brick pavers to be placed at the Fountain. Donate a brick in memory of a loved one, in honor of someone or a group, to memorialize an event or dedicated to someone whose service to our country has brought them through Onslow County.
