Attn: Mr. Bunting,

I spoke with your Administrative Assistant today in reference to updating/changing our address that appears on the following RFP:  
[http://www.ci.jacksonville.nc.us/opencms/export/download/ITS/08\\_Cisco\\_Convenience\\_Contract.pdf](http://www.ci.jacksonville.nc.us/opencms/export/download/ITS/08_Cisco_Convenience_Contract.pdf)

Your Admin stated since the RFP has been signed and awarded, thus, this particular document could not be changed, due to change of our address. It was suggested that CTI send you a note on our corporate letter head with the new address for our NC location. It was also stated that this letter would be scanned and added to the document/website as an amendment document stating the change of the address.

Below is the new address for Coleman Technologies located in Charlotte, North Carolina.
