

Proposed Service Changes to Local Routes

Changes proposed for the immediate term (next 1-2 years) proposed include:

- Add a third route to serve Wal-Mart on Yopp Road, Georgetown and provide a fast direct connection from downtown Jacksonville to Western Boulevard
- Eliminate regularly scheduled service to Tarawa Boulevard and Midway Park. Serve with dial-a-ride (demand response) service instead.
- Eliminate service to Jacksonville Commons Recreation Center, Sandy Run Apartments and Onslow Memorial Hospital.
 - Offer dial-a-ride bus service to Sandy Run Apartments and Onslow Memorial

Hospital. People traveling to/from these locations will need to call in advance to schedule a ride.

- Jacksonville Transit will continue to operate the same days and hours. All service will continue to be hourly.

In the longer term (2 – 3 years), proposed changes include:

- Increasing the service during weekday morning and afternoon commute times, so buses leave every 30 minutes from 6:00 am to 9:00 am and 3:00 pm to 6:00 pm.
- Offer service until 7:00 pm on weekdays.
